

Another wellness solution from

No other natural—or synthetic—alternative offers the same skin-healing benefits of **T36-C5 Melaleuca Oil**. Once you've experienced the relief of this essential oil, you'll wonder how you ever lived without it.

T36-C5 Melaleuca Oil is available only to Melaleuca customers.

All of these products contain Melaleuca Oil and utilize at least one or more of its amazing properties:

Antiseptic • Soothing • Penetrating • Non-caustic • Solvent • Aromatic

Sensitive Skin Has an Alternative

While **T36-C5® brand Melaleuca Oil** can handle almost everyone's minor skin problems, some people need even more healing power. **T40-C3® brand Melaleuca Oil** is formulated especially for those with sensitive skin or for those with persistent skin irritations.

Every Melaleuca product is backed by our 100% satisfaction guarantee. If **T36-C5 Melaleuca Oil** does not meet your highest expectations, contact us within 60 days for a full credit or exchange.

A Heritage of Healing Power

Earth's first aid kit.

Long before medicine companies, Mother Nature provided natural health remedies. Introducing nature's first aid kit in a bottle. Versatile enough to treat minor cuts, scrapes, burns, insect bites, and virtually every other minor first aid skin irritation—naturally.

T36-C5® brand Melaleuca Oil

- Fast-acting, 100% natural essential oil
- Amazing, versatile properties:

- Antiseptic:** Kills germs to aid the healing process
- Soothing:** Brings instant relief for countless minor skin irritations
- Penetrating:** Healing benefits go deep into the skin's top layers
- Non-caustic:** Won't irritate the skin as it heals
- Solvent:** Dissolves residue and acts as a natural disinfectant
- Aromatic:** Refreshing, therapeutic scent lets you know it's working

No Medicine Cabinet Should Be Without T36-C5 Melaleuca Oil

We put our quality standard right on the bottle: T36-C5

- T36-C5 contains 100% pure *Melaleuca alternifolia* oil, a complex essential oil made of over 100 natural compounds
- Two specific compounds, terpinen-4-ol (as in T36) and cineole (as in C5) have been directly linked to Melaleuca Oil's proven healing powers

Petri dish without Melaleuca Oil

Petri dish with T36-C5 Melaleuca Oil

Two petri dishes were left outdoors for half an hour. One dish was treated with T36-C5 Melaleuca Oil. The second dish was left untreated. After a 5-day incubation period, the dish treated with the T36-C5 Melaleuca Oil exhibited absolutely no mold growth—the dish without T36-C5 Melaleuca Oil was covered with mold.

Terpinen-4-ol = Antiseptic Power	The higher the percentage of terpinen-4-ol, the more antiseptic power.
---	--

Cineole = Penetrating Power	The lower the percentage of cineole, the stronger the penetrating power.
------------------------------------	--

Nature Rediscovered

Through word of mouth, people rediscovered the proven therapeutic qualities of T36-C5 Melaleuca Oil—a gift from Mother Nature.

"The essential oil of *Melaleuca alternifolia* has broad-spectrum antimicrobial activity."
Antimicrobial Agents and Chemotherapy, June 2003
